25 A hearing on certain Defendants' motion to dismiss is scheduled for Thursday, January 27,
26 2011, with a Case Management Conference to follow. In the parties' January 14, 2011 Joint Case
27 Management Statement at page 3, Defendant Peco Controls states that it "doubts that the Court has
28 supplemental jurisdiction" over certain state law claims. The parties should be prepared to discuss
whether it is appropriate for the Court to exercise supplemental jurisdiction over Plaintiff's state
law claims. Plaintiff and each set of Defendants may file briefing, not to exceed five pages, that
addresses the Court's continuing exercise of supplemental jurisdiction by Monday, January 24,
2011.
